Dear Sir or Madam:

In your letter dated June 14, 2013, you requested classification as a public charity described in sections 509(a)(1) and 170(b)(1)(A)(iv) of the Internal Revenue Code.

In our letter dated May 1973 we determined that you were exempt under section 501(c)(3) of the Code. We further determined that you weren't a private foundation and you were classified as a public charity described in sections 509(a)(3) of the Code.

Based on the information you provided, we determined you meet the requirements for classification as a public charity described in sections 509(a)(1) and 170(b)(1)(A)(iv) of the Code.

Accordingly, we have updated your public charity status in our records as you requested.

Since your exempt status wasn't under consideration, you continue to be classified as an organization exempt from federal income tax under section 501(c)(3) of the Code.

Grantors and contributors may generally rely on this determination of your foundation status unless the Internal Revenue Service publishes notice that you are no longer recognized as tax exempt or classified as a public charity in the Internal Revenue Bulletin. However, if a grantor or contributor takes any action, or fails to take any action, which causes you to lose your exempt status or causes you to be reclassified as a private foundation, that party cannot rely on this determination. Furthermore, a contributor or grantor who knows that the Internal Revenue Service has notified you of any change in your exempt status or foundation status cannot rely on this determination.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, *Compliance Guide for 501(c)(3) Public Charities*, which describes your recordkeeping, reporting, and disclosure requirements.

Because this letter could help resolve any questions about your exempt status and/or foundation status, you should keep it with your permanent records.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
